SECURITY AGREEMENT - TRUST DEED

THIS SECURITY AGREEMENT-TRUST DEED dated as of April 15 1988 (the "Security Agreement") is from BANC ONE EQUIPMENT LEASING, INC., an Indiana corporation (the "Debtor"), Debtor's post office address being 111 Monument Circle, Suite 510, Indianapolis, Indiana 46277 to BANK ONE, INDIANAPOLIS, N.A. (the "Secured Party"), whose post office address is 111 Monument Circle, Suite 810, Indianapolis, Indiana 46277.

R E C I T A L S:

A. The Debtor and the Secured Party are entering into this Security Agreement-Trust Deed in connection with a leveraged lease financing for Missouri-Kansas-Texas Railroad Company, a Delaware corporation (the "Lessee") of the equipment described in Section 1.1 hereof, which equipment is being acquired by the Debtor pursuant to a Purchase Order Assignment dated as of April 15, 1988 (the "Purchase Order Assignment") between the Debtor and Lessee with the consent of Trinity Industries, Inc., the manufacturer of such equipment, and which equipment is being leased to the Lessee by the Debtor pursuant to the Lease of Railroad Equipment described in Section 1.1 hereof. On or prior to July 1, 1988, it is contemplated that the Debtor will issue and deliver to each of the institutional investors referred to in Schedule 1 hereto (the "Note Purchasers") its 9-7/8% Secured Notes (Non-Recourse) (the "Notes") in the respective principal amounts set opposite such Note Purchaser's name on Schedule 1 hereto and in the aggregate principal amount of \$2,800,000, the proceeds from the issuance of which are to be applied by the Debtor to its cost of acquiring such equipment. The Notes are to be issued on one or more dates prior to July 1, 1988, to be dated the date of issue, to bear interest from such date at the rate of 9-7/8% per annum prior to maturity, to be expressed to be payable as follows: installments of interest only payable on the first day of the calendar month next following the date of issuance thereof, and on the first day of each calendar month thereafter to and including July 1, 1988, followed by 50 consecutive quarterly installments, including both principal and interest, payable in accordance with the amortization schedule set forth in Schedule 2 hereto with the first such installment to be paid on October 1, 1988, and the balance of such installments to be paid on each January 1, April 1, July 1, and October 1 thereafter to and including January 1, 2001; and to be otherwise substantially in the form attached hereto as Exhibit A.

B. The Notes and all principal thereof and interest (and premium, if any) thereon and all additional amounts and other sums at any time due and owing from or required to be paid by the Debtor under the terms of the Notes and this Security Agreement

are hereinafter sometimes referred to as "indebtedness hereby secured".

C. All of the requirements of law relating to the transactions contemplated hereby have been fully complied with and all other acts and things necessary to make this Security Agreement a valid, binding and legal instrument for the security of the Notes have been done and performed.

SECTION 1. GRANT OF SECURITY.

The Debtor in consideration of the premises and of the sum of Ten Dollars received by the Debtor from the Secured Party and other good and valuable consideration, receipt whereof is hereby acknowledged, and in order to secure the payment of the principal of and interest on the Notes according to their tenor and effect, and to secure the payment of all other indebtedness hereby secured and the performance and observance of all of the Debtor's covenants and conditions in the Notes and in this Security Agreement contained, and to secure the indemnities of the Lessee provided in Sections 6 and 14 of the Lease (as defined in Section 1.1) which are for the benefit of the Secured Party or the Note Purchasers or any other holder of the Notes, does hereby convey, warrant, mortgage, assign, pledge and grant the Secured Party, its successors in trust and assigns, a security interest in, all and singular of the Debtor's right, title and interest in and to the properties, rights, interests and privileges described in Sections 1.1 and 1.2 hereof, subject always to those limitations set forth in Section 1.3 hereof; excluding, however, Excepted Rights in Collateral as defined in Section 1.5 hereof (all of which properties hereby mortgaged, assigned and pledged or intended so to be are hereinafter collectively referred to as the "Collateral").

1.1. Equipment Collateral. Collateral includes the railroad equipment described in Schedule 3 attached hereto and made a part hereof (collectively the "Equipment" and individually an "Item" or "Item of Equipment") constituting the Equipment leased and delivered under that certain Lease of Railroad Equipment dated as of April 15, 1988 (the "Lease") between the Debtor, as lessor, and the Lessee, as lessee; together with all accessories, equipment, parts and appurtenances appertaining or attached to any of the Equipment hereinabove described, whether now owned or hereafter acquired, except such thereof as remain the property of the Lessee under the Lease, and all substitutions, renewals or replacements of and additions, improvements, accessions and accumulations to any and all of said Equipment, except such thereof as remain the property of the Lessee under the Lease, together with all the rents, issues, income, profits and avails therefrom.

1.2. Rental Collateral. Collateral also includes all right, title, interest, claims and demands of the Debtor as lessor in, to and under the Lease, including all extensions of the term of the Lease, together with all rights, powers, privileges, options and other benefits of the Debtor as lessor under the Lease, including, without limitation:

(1) the immediate and continuing right to receive and collect all rental, casualty value payments, termination value payments, insurance proceeds, condemnation awards and other payments, tenders and security now or hereafter payable to or receivable by the Lessor under the Lease pursuant thereto (except those sums reserved as Excepted Rights in Collateral under Section 1.5 hereof),

(2) the right to make all waivers and agreements and to enter into any amendments relating to the Lease or any provision thereof except with regard to the right of the Debtor to receive those sums reserved as Excepted Rights in Collateral under Section 1.5 hereof; and

(3) the right to take such action upon the occurrence of an Event of Default under the Lease or an event which, with the lapse of time or the giving of notice, or both, would constitute an Event of Default under the Lease, including the commencement, conduct and consummation of legal, administrative or other proceedings, as shall be permitted by the Lease or by law (except as provided in Section 1.5 hereof), and to do any and all other things whatsoever which the Debtor or any lessor is or may be entitled to do under the Lease;

it being the intent and purpose hereof that subject always to Excepted Rights in Collateral (as defined in Section 1.5 hereof), the assignment and transfer to the Secured Party of said rights, powers, privileges, options and other benefits shall be effective and operative immediately and shall continue in full force and effect, and the Secured Party shall have the right to collect and receive all rental, casualty value payments and termination value payments, if any, and other sums for application in accordance with the provisions of Section 4 hereof at all times during the period from and after the date of this Security Agreement until the indebtedness hereby secured has been fully paid and discharged.

1.3. Limitations to Security Interest. The security interest granted by this Section 1 is subject to (a) the right, title and interest of the Lessee in and to the Equipment under the Lease, (b) the lien of current taxes and assessments not in default (but only if such taxes are entitled to priority as a matter of law), or, if delinquent, the validity of which is being contested in good faith, and (c) liens and charges permitted by Section 13 of the Lease (collectively "Permitted Encumbrances").

1.4. Duration of Security Interest. The Secured Party, its successors in trust and assigns shall have and hold the Collateral forever; provided, always, however, that such security interest is granted upon the express condition that if the Debtor shall pay all of its indebtedness hereby secured and shall observe, keep and perform all the terms and conditions, covenants and agreements herein and in the Notes contained, and the Lessee shall have paid in full all of the indemnities validly claimed by the Secured Party, any Note Purchaser or any other holder or holders of the Notes at the time the Debtor shall have so paid and performed such of its obligations, then these presents and the estate hereby granted and conveyed shall cease and this Security Agreement shall become null and void; otherwise it shall remain in full force and effect.

1.5. Excepted Rights in Collateral. There are expressly excepted and reserved from the security interest and operation of this Security Agreement the following described properties, rights, interests and privileges (hereinafter sometimes referred to as the "Excepted Rights in Collateral") and nothing herein or in any other agreement contained shall constitute an assignment of said Excepted Rights in Collateral to the Secured Party:

(a) all payments of any indemnity under Sections 6, 14 and 21 of the Lease or interest thereon which are for the benefit of the Debtor for its own account;

(b) all rights of the Debtor under the Lease to demand, collect, sue for or otherwise obtain all amounts from the Lessee due the Debtor on account of any such indemnities, provided that the rights excepted and reserved by this paragraph (b) shall not be deemed to include the exercise of any remedies provided for in Section 18 of the Lease except the right to sue and enforce payment of such indemnities on an unsecured basis pursuant to Section 18(1)(I) thereof; and

(c) all rights, privileges and immunities of the Debtor in respect of any general public liability insurance policies maintained by the Lessee pursuant to Section 7 of the Lease, together with any proceeds thereof which by the terms of such policies are payable directly to the Debtor for its own account.

SECTION 2. REPRESENTATIONS, COVENANTS AND WARRANTIES OF THE DEBTOR.

The Debtor covenants, warrants, represents and agrees as follows:

2.1. Warranties and Representations of the Debtor. The Debtor warrants and represents that:

(a) Lessor's Organization and Authority; No Violation of Charter, By-laws, Indentures, etc. The Debtor (i) is a corporation duly organized, legally existing and in good standing under the laws of the State of Indiana, (ii) has full right, power and authority to enter into and perform the Purchase Order Assignment, the Lease and this Security Agreement (the "Operative Agreements") and to issue and deliver the Notes and the performance or observance by the Lessor of any of its obligations hereunder or thereunder does not violate any provisions of any Federal or state law, any order of any court or governmental agency in proceedings to which the Debtor is a party, the Certificate of Incorporation or By-laws of the Debtor, or any indenture, agreement or other instrument to which the Debtor is a party or by which it, or any of its property, may be bound, and will not be in conflict with, result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or other instrument or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Debtor other than Permitted Encumbrances.

(b) Due Authorization. The Operative Agreements and the Notes have been duly authorized by all necessary action on the part of the Debtor, have been duly executed and delivered by the Debtor and constitute the legal, valid and binding obligations, contracts and agreements of the Debtor enforceable in accordance with their respective terms, except as such terms may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally and except as equitable remedies, such as specific performance, may be in the discretion of the courts.

(c) Pending Litigation. There are no proceedings pending, or to the knowledge of the Debtor threatened, and to the knowledge of the Debtor there is no existing basis for any such proceedings, against or affecting the Debtor in any court or before any governmental authority or arbitration board or tribunal which, if adversely determined, would materially and adversely affect the Equipment or the ability of the Debtor to enter into or perform the Operative Agreements and to issue and deliver the Notes.

(d) Title to the Equipment. The Equipment is free and clear of any liens or encumbrances which result from claims against the Debtor not related to the ownership of the Equipment or any transactions contemplated by the Operative Agreements, and the Lessor has not by affirmative act conveyed title to the Equipment to any Person or subjected the Equipment to any lien or encumbrance other than Permitted Encumbrances.

(e) No Defaults. To the knowledge of the Debtor, no Event of Default or event which with the passing of time or the giving of notice, or both, would constitute an Event of Default under this Security Agreement has occurred and is continuing. The Debtor is not in violation in any material respect of any term of any of the Operative Agreements or the Notes.

(f) Governmental Consent. Neither the nature of the Equipment, nor any relationship between the Debtor and any other party, nor any circumstance in connection with the offer, issue, sale or delivery of the Debtor's interest in the Equipment (the "Owner Interest") or the Notes or the execution and delivery of the Operative Agreements or the Notes is such as to require a consent, approval or authorization of, or filing, registration or qualification with, any Federal or state authority on the part of the Debtor in connection with the execution and delivery of the Operative Agreements or the Notes or the offer, issue, sale or delivery of the Owner Interest or the Notes; provided that the Debtor makes no representation or warranty with respect to compliance with Federal or state laws pertaining to the issuance and sale of securities.

(g) Use of Proceeds. The Debtor will apply the entire proceeds from the sale of the Notes to the payment to Trinity Industries, Inc. of the Purchase Price (as defined in the Lease) of the Equipment.

(h) Principal Place of Business. The principal place of business of the Debtor is located at the address thereof set forth in Section 9.3 hereof.

(i) Private Offering. The Debtor has not offered any of the Notes or any similar security of the Debtor for sale to, or solicited offers to buy any thereof from, or otherwise approached or negotiated with respect thereto with, any prospective purchaser, and the Debtor has not authorized or employed any party as agent or otherwise in connection with the placement of the Notes or any similar security of the Debtor other than CIS Corporation or its affiliates; provided that it is

understood and agreed that the Debtor has not authorized or employed the Lessee as its agent in such capacity, and neither the Debtor nor anyone acting on its behalf will offer the Notes or any part thereof or any similar security for issue or sale to, or solicit any offer to acquire any of the Notes or any part thereof from, anyone so as to bring the issuance and sale of the Notes or any part thereof within the provisions of Section 5 of the Securities Act of 1933, as amended.

(j) Purchase for Investment. The Debtor is purchasing the Owner Interest for its account for investment and with no present intention of distributing or reselling the Owner Interest or any part thereof, but without prejudice, however, to the right of the Debtor at all times to sell or otherwise dispose of all or any part of the Owner Interest under a registration under the Securities Act of 1933, as amended, or under an exemption from such registration available under such Act; provided that the disposition of the Owner Interest shall at all times be within the Debtor's control, subject to compliance with the provisions of Section 2.9 hereof. The Debtor acknowledges that none of the Owner Interest has been registered under the Securities Act of 1933, as amended, and that neither the Debtor nor the Lessee contemplates filing, or is legally required to file, any such registration.

(k) ERISA. The funds advanced by the Debtor to pay the portion of the Purchase Price of the Equipment not paid by application of the proceeds of the issuance of the Notes are not obtained from the assets in any employee benefit plan or its related trust as such terms are defined in the Employee Retirement Income Security Act of 1974, as amended.

(l) Debt Coverage. The amount of Basic Rent (as defined in the Lease) payable under the Lease on each Rent Payment Date (as defined in the Lease) during the term of the Lease equals or exceeds the sum of the interest payments and the payments or prepayments of principal due on such Rent Payment Dates on the Notes, and the amount of Casualty Value (as defined in the Lease) and Termination Value (as defined in the Lease) payable on any date under the Lease equals or exceeds the unpaid principal amount of the Notes after giving effect to the payment of Basic Rent due and payable on or prior to such date.

(m) Issuance of Notes. No taxes, fees or other charges in connection with the issuance or sale of the Notes are payable.

(n) Margin Requirements. None of the transactions contemplated hereby (including, without limitation, the use of the proceeds from the sale of the Notes) will result in any violation of Section 7 of the Securities Exchange Act of 1934, as amended, or any regulations issued pursuant thereto, including, without limitation, Regulation G, T and X of the Board of Governors of the Federal Reserve Systems, 12 C.F.R., Chapter II.

2.2. Warranty of Title. The Debtor has the right, power and authority to grant a security interest in the Collateral to the Secured Party for the uses and purposes herein set forth; and the Debtor will warrant and defend the title to the Collateral against all claims and demands of persons claiming by, through or under the Debtor other than Permitted Encumbrances. The Debtor also agrees that it will, at its own cost and expense, without regard to the provisions of Section 7 hereof, pay or satisfy and discharge any such liens and encumbrances on the Collateral, but the Debtor shall not be required to pay or discharge any such claims so long as it shall, in good faith and by appropriate legal proceedings contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Debtor or the security interest hereunder in and to the Equipment. Without limiting the foregoing, there is no financing statement or other filed or recorded instrument in which the Debtor is named and which the Debtor has signed, as debtor or mortgagor now on file in any public office covering any of the Collateral excepting the financing statements or other instruments filed or to be filed in respect of and for the security interest provided for herein.

2.3. Further Assurances. Upon request, the Debtor will, at no expense to the Secured Party, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, transfers and assurances necessary or proper for the perfection of the security interest being herein provided for in the Collateral, whether now owned or hereafter acquired. Without limiting the foregoing but in furtherance of the security interest herein granted in the rents and other sums due and to become due under the Lease, the Debtor covenants and agrees that it will, pursuant to Section 17 of the Lease, notify the Lessee of the assignment hereunder and direct the Lessee to make all payments of such rents and other sums due and to become due under the Lease other than Excepted Rights in Collateral directly to the Secured Party or as the Secured Party may direct in writing.

2.4. After-Acquired Property. Any and all property described or referred to in the granting clauses hereof which is hereafter acquired shall ipso factor, and without any further conveyance, assignment or act on the part of the Debtor or the Secured Party, become and be subject to the security interest

herein granted as fully and completely as though specifically described herein, but nothing in this Section 2.4 contained shall be deemed to modify or change the obligation of the Debtor under Section 2.3 hereof.

2.5. Recordation and Filing. The Debtor will fully cooperate with the Lessee in connection with Lessee's obligation pursuant to Section 22 of the Lease to cause this Security Agreement and all supplements hereto, the Lease and all supplements thereto, and all financing and continuation statements and similar notices required by applicable law, at all times to be kept, recorded and filed at no expense to the Secured Party in such manner and in such place as may be required by law in order to fully preserve and protect the rights of the Secured Party hereunder.

2.6. Modifications of the Lease. The Debtor will not:

(a) declare a default or exercise the remedies of the Lessor under, or terminate, modify or accept a surrender of, or offer or agree to any termination, modification or surrender of, the Lease (except as otherwise expressly provided herein) or by affirmative act consent to the creation or existence of any security interest or other lien to secure the payment of indebtedness upon the leasehold estate created by the Lease or any part thereof; provided that the Secured Party agrees that, so long as no Event of Default shall have occurred and be continuing, the Debtor and the Secured Party shall jointly make all waivers and agreements and approve any amendments relating to the Lease, and neither the Secured Party nor the Debtor shall so act independently;

(b) except in respect of Excepted Rights in Collateral, receive or collect any rental payment under the Lease prior to the date for payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Secured Party hereunder) any rent payment then due or to accrue in the future under the Lease in respect of the Equipment; or

(c) except in respect of Excepted Rights in Collateral, sell, mortgage, transfer, assign or hypothecate (other than to the Secured Party hereunder) its interest in the Equipment or any part thereof or in any amount to be received by it from the use or disposition of the Equipment.

2.7. Power of Attorney in Respect of the Lease. The Debtor does hereby irrevocably constitute and appoint the Secured Party its true and lawful attorney with full power of substitution, for it and in its name, place and stead, to ask, demand,

collect, receive, receipt for, any and all rents, income and other sums which are assigned under Sections 1.1 and 1.2 hereof, and upon and during the continuance of an Event of Default, but subject to Section 5.3 hereof, to sue for, compound and give acquittance for any and all such rents, income and other sums with full power to settle, adjust or compromise any claim thereunder as fully as the Debtor could itself do, and to endorse the name of the Debtor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Debtor or otherwise, which the Secured Party may deem necessary or appropriate to protect and preserve the right, title and interest of the Secured Party in and to such rents and other sums and the security intended to be afforded hereby.

2.8. Notice of Default. The Debtor covenants and agrees that it will give the Secured Party, each Note Purchaser and any other holder of a Note prompt written notice of any event or condition constituting an Event of Default hereunder (including any Event of Default under the Lease) if the Debtor has actual knowledge of such event or condition.

2.9. Restrictions on Transfer of Owner Interest. The Debtor agrees that it will not transfer or assign any of its Owner Interest, whether or not in connection with the sale of all or substantially all of its assets, unless (w) its entire interest is being transferred or assigned to a single transferee or assignee, (x) the transferee or assignee is an "affiliated company" or an "institutional investor" or any other party to which the holders of not less than 66-2/3% of the aggregate principal amount of the Notes then outstanding and the Lessee have consented in writing, (y) the transferee or assignee shall execute and deliver an agreement in form and content reasonably satisfactory to the holders of not less than 66-2/3% of the aggregate principal amount of the Notes then outstanding, whereby the transferee or assignee agrees to be bound by all of the terms of and to undertake all of the obligations of the Debtor under each of the Operative Agreements and the Notes, and makes representations of the scope provided for in Section 2.1 hereof and (z) each holder of a Note and the Lessee shall have received a copy of a written opinion of counsel (who may be counsel to the Debtor) to the effect that the agreement of such transferee or assignee referred to in clause (y) above has been duly authorized, executed and delivered by such transferee or assignee and constitutes the legal, valid and binding contract and agreement of such transferee or assignee enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally and equitable principles and that all filings and recordings required to be maintained by the Operative Agreements will, upon completion of such transfer and assignment, be in effect. The term "affiliated company" shall mean any company (the "Parent") owning

not less than 80% of the Voting Stock of the Lessor, any company (the "Holding Company") owning not less than 80% of the Voting Stock of the Parent, and any company not less than 80% of the Voting Stock of which is owned, directly or indirectly, by the Holding Company, the Parent or the Lessor. The term "Voting Stock" for any company shall mean capital stock having the right to vote for the election of the directors of such company. The term "institutional investor" means any one of the following parties existing under the laws of the United States of America or any state thereof which (in the case of any banking institution or insurance company) has capital, surplus and undivided profits (or the equivalent) of at least \$100,000,000, or (in the case of any finance or leasing company) has a net worth of at least \$50,000,000: (i) any bank, bank holding company, savings institution, trust company or national banking association acting for its own account or in a fiduciary capacity as trustee or agent under any pension, retirement, profit sharing or similar trust or fund, (ii) any insurance company or fraternal benefit society, or (iii) any finance company or leasing company, or (iv) any corporation, all of whose capital stock and other securities are owned by any of the foregoing. Prior to transferring its Owner Interest, the Debtor shall give written notice to the Secured Party, each Note Purchaser, any other holder of a Note and the Lessee specifying the name and address of the transferee and such additional information as may be required to demonstrate compliance with the preceding provisions of this Section 2.9. Upon any such transfer or assignment of the Owner Interest as above provided, the transferee or assignee shall be deemed "Debtor" and "Lessor" for all purposes of the Operative Agreements and the Notes and shall be deemed to have made all payments previously made by the transferring or assigning Debtor and each reference in the Operative Agreements and the Notes to the Debtor shall thereafter be deemed to mean such transferee or assignee; provided that in the case of a transfer to an affiliated company with a capital and surplus or net worth of less than \$50,000,000, the transferring or assigning Debtor shall remain liable as a guarantor of all of the obligations assumed hereunder by such affiliated company and in the case of a transfer to any corporation pursuant to clause (iv) above which does not meet the aforesaid capital and surplus or net worth requirements, the parent company thereof meeting such requirements shall unconditionally guarantee all of the obligations assumed hereunder by such corporation. Any transfer or assignment of the Owner Interest in violation of this Section shall be void and of no effect. The provisions of this Section 2.9 shall not be construed to restrict the Lessor from consolidating with or merging into any other corporation or restricting another corporation from merging into or consolidating with the Lessor.

SECTION 3. POSSESSION, USE AND RELEASE OF PROPERTY.

3.1. Possession of Collateral. While no Event of Default has occurred and is continuing hereunder, the Debtor shall be suffered and permitted to remain in full possession, enjoyment and control of the Equipment and to manage, operate and use the same and each part thereof with the rights and franchises appertaining thereto, provided, always, that the possession, enjoyment, control and use of the Equipment shall at all times be subject to the observance and performance of the terms of this Security Agreement. It is expressly understood that the use and possession of the Equipment or any Item thereof by the Lessee under and subject to the Lease shall not constitute a violation of this Section 3.1.

3.2. Release of Property. So long as no default referred to in Section 18 of the Lease has occurred and is continuing to the knowledge of the Secured Party, the Secured Party shall execute a release in respect of any Item of Equipment designated by the Lessee for settlement pursuant to Section 8 of the Lease upon receipt from the Lessee of written notice designating the Item of Equipment in respect of which the Lease will terminate and the receipt from the Lessee of all sums payable for such Item of Equipment in compliance with Section 8 of the Lease.

3.3. Protection of Purchaser. No purchaser in good faith of property purporting to be released hereunder shall be bound to ascertain the authority of the Secured Party to execute the release, or to inquire as to any facts required by the provisions hereof for the exercise of such authority; nor shall any purchaser, in good faith, of any item or unit of the collateral be under obligation to ascertain or inquire into the conditions upon which any such sale is hereby authorized.

SECTION 4. APPLICATION OF ASSIGNED RENTALS AND CERTAIN OTHER MONEYS RECEIVED BY THE SECURED PARTY.

4.1. Application of Rents and Other Payments. As more fully set forth in Section 1.2 hereof the Debtor has hereby granted to the Secured Party a security interest in rents, issues, profits, income and other sums due and to become due under the Lease in respect of the Equipment as security for the Notes. So long as no Event of Default as defined in Section 5 hereof, has occurred and is continuing:

(a) The amounts from time to time received by the Secured Party which constitute payment by the Lessee under the Lease of the installments of rental under the Lease shall be applied first, to the payment of the installments of principal and interest (and in each case first to interest and then to principal) on the Notes

which have matured or will mature on or before the due date of the installments of rental which are received by the Secured Party, and then, so long as no event shall have occurred and be continuing which, with the lapse of time or giving of notice, or both, would constitute an Event of Default hereunder, the balance, if any, of such amounts shall be paid to or upon the order of the Debtor not later than the first business day following the receipt thereof;

(b) The amounts from time to time received by the Secured Party which constitute settlement by the Lessee of the "Casualty Value" for any Item of Equipment pursuant to Section 8 of the Lease shall be applied by the Secured Party as follows:

(i) First, to the payment of an amount equal to the accrued and unpaid interest on that portion of the Notes to be prepaid pursuant to the following subparagraph;

(ii) Second, an amount equal to the Loan Value of such Item of Equipment for which settlement is then being made shall be applied to the prepayment of the Notes so that each of the remaining installments of each Note shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Notes immediately prior to the prepayment; and

(iii) Third, so long as no event shall have occurred and be continuing which, with the lapse of time or giving of notice, or both, would constitute an Event of Default hereunder, the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraphs (i) and (ii) shall be released to or upon the order of the Debtor on the date of payment of the amounts provided in the preceding clauses (i) and (ii).

For purposes of this Section 4.1(b), the "Loan Value" in respect of any Item of Equipment, shall be an amount equal to the product of (A) a fraction, the numerator of which is an amount equal to the Purchase Price (as defined in the Lease) of such Item of Equipment for which settlement is then being made and the denominator of which is the aggregate Purchase Price of all Items of Equipment then subject to the Lease (including the Purchase Price of such Item of Equipment for which

settlement is then being made), times (B) the unpaid principal amount of the Notes immediately prior to the prepayment provided for in this Section 4.1(b) (after giving effect to all payments of installments of principal made or to be made on the date of prepayment provided for in this Section 4.1(b));

(c) The amounts received by the Secured Party which constitute settlement by the Lessee of the "Termination Value" for the Equipment pursuant to Section 2(2) of the Lease or the proceeds of any sale of the Equipment pursuant to said Section 2(2) shall be applied by the Secured Party as follows:

(i) First, to the payment of the entire unpaid balance of accrued interest and principal on the Notes; and

(ii) Second, so long as no event shall have occurred and be continuing which, with the lapse of time or giving of notice, or both, would constitute an Event of Default hereunder, the balance, if any, of such amounts held by the Secured Party after making the applications provided for by the preceding subparagraph (i) shall be released to or upon the order of the Debtor on the date of payment of the amounts provided in the preceding clause (i).

(d) The amounts received by the Secured Party from time to time which constitute proceeds of casualty insurance maintained by the Lessee in respect of the Equipment, shall be held by the Secured Party as a part of the Collateral and shall be applied by the Secured Party from time to time to any one or more of the following purposes:

(i) So long as no Event of Default, or any event which, with the lapse of time or the giving of notice, or both, would constitute such an Event of Default, has occurred and is continuing to the knowledge of the Secured Party, the proceeds of such insurance shall, if the Item of Equipment is to be repaired, be released to the Debtor to reimburse the Lessee for expenditures made for such repair upon receipt by the Secured Party of a certificate of an authorized officer of the Lessee to the effect that any damage to such Item in respect of which such proceeds were paid has been fully repaired; and

(ii) If the insurance proceeds shall not have been released to the Debtor pursuant to the preceding paragraph (i) within 180 days from the receipt thereof by the Secured Party, or if within such period the Lessee shall have notified the Secured Party in writing that the Lease is to be terminated in respect of such item in accordance with the provisions of Section 8 of the Lease then so long as no Event of Default hereunder has occurred and is continuing to the knowledge of the Secured Party, the insurance proceeds shall be applied by the Secured Party as follows:

(A) First, to the prepayment of the Notes, all in the manner and to the extent provided for by Section 4.1(b) hereof; and

(B) Second, the balance, if any, of such insurance proceeds held by the Secured Party after making the applications provided for by the preceding subparagraph (A) shall be released to or upon the order of the Debtor on the date of such prepayment of the Notes.

4.2. Multiple Notes. If more than one Note is outstanding at the time any such application is made, such application shall be made on all outstanding Notes ratably in accordance with the aggregate principal amount remaining unpaid thereon.

4.3. Default. If an Event of Default referred to in Section 5 hereof has occurred and is continuing, all amounts received by the Secured Party pursuant to Section 1.2 hereof shall, subject to the provisions of Section 4.4 hereof, be applied in the manner provided for in Section 5 in respect of proceeds and avails of the Collateral.

4.4. Funds Held by Secured Party. In the event any balance of amounts otherwise payable to or upon the order of the Debtor pursuant to Sections 4.1(a), (b), (c) or (d) hereof shall be held by the Secured Party for more than one business day due to the occurrence and continuance of an event which, with the lapse of time or giving of notice, or both, would constitute an Event of Default hereunder, then such balances shall be held by the Secured Party as part of the Collateral and invested as hereinafter in this Section 4.4 provided until the earliest to occur of (i) as to any such sum so withheld, the 180th day following the commencement of such withholding, (ii) the date on which such event shall have been cured or waived, or (iii) the date on which such event shall

have resulted in or become, by action of the Secured Party or otherwise, an Event of Default. Upon the occurrence of an event referred to in clause (i) or (ii) above, such sum so withheld plus earnings thereon shall be distributed to or upon the order of the Debtor. Upon the occurrence of the event referred to in clause (iii) above, such sum so withheld shall be applied in the manner provided in Section 5 in respect of the proceeds and avails of the Collateral. Funds held by the Secured Party pursuant to this Section 4.4 plus earnings thereon shall be invested by the Secured Party as directed from time to time in writing by the Debtor and at the expense and risk of the Debtor in any of the following securities:

(a) direct obligations of the United States of America, or

(b) obligations fully guaranteed by the United States of America, or

(c) certificates of deposit issued by, or bankers' acceptances of, or time deposits or a deposit account with, any bank, trust company or national banking association incorporated or doing business under the laws of the United States of America or one of the States thereof, having a combined capital and surplus of at least \$300,000,000 and having a rating of "A" or better from the Keefe Bank Watch Service, or

(d) commercial paper of the 10 largest finance companies in the United States, as determined by reference to the then most recently published Moody's Commercial Paper Record, which directly issue their own commercial paper and which are doing business under the laws of the United States of America or one of the States thereof and in each case having a rating assigned to such commercial paper by Standard & Poor's Corporation or Moody's Investors Service, Inc. (or, if neither such organization shall rate such commercial paper at any time, by any nationally recognized rating organization in the United States of America) equal to the highest rating assigned by such organization, or

(e) obligations of the type described in clauses (a) through (d) above, purchased from any bank, trust company or banking association referred to in clause (c) above pursuant to repurchase agreements obligating such bank, trust company or banking association to repurchase any such obligation not later than 90 days after the purchase of any such obligation.

SECTION 5. DEFAULTS AND OTHER PROVISIONS.

5.1. Events of Default. The term "Event of Default" for all purposes of this Security Agreement shall mean one or more of the following:

(a) Default in payment of an installment of the principal of, or interest on, any Note when and as the same shall become due and payable, whether at the due date thereof or at the date fixed for prepayment or by acceleration or otherwise, and any such default shall continue unremedied for ten days;

(b) An Event of Default (as defined in the Lease) shall have occurred and be continuing under the Lease;

(c) Default on the part of the Debtor in the due observance or performance of any covenant or agreement to be observed or performed by the Debtor under this Security Agreement, and such default shall continue unremedied for 30 days after written notice from the Secured Party to the Debtor specifying the default and demanding the same to be remedied;

(d) Any representation or warranty on the part of the Debtor made herein or in any report, certificate, financial or other statement furnished in connection with this Security Agreement or the Lease, or the transactions contemplated therein, shall prove to have been false or misleading in any material respect when made;

(e) The Debtor becomes insolvent or fails generally to pay its debts as such debts become due, or causes or suffers an order for relief to be entered against it under any applicable federal or state bankruptcy law, or makes an assignment for the benefit of creditors or applies for or consents to the appointment of a custodian, trustee or receiver for the Debtor or for the major part of its property;

(f) A trustee or receiver is appointed for the Debtor or for the major part of its property and is not discharged within 60 days after such appointment; or

(g) Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings for relief under any bankruptcy law or similar law for the relief of debtors, are instituted by or against the Debtor and, if instituted against the Debtor, are consented to or are not dismissed within 60 days after such institution.

5.2. Secured Party's Rights. The Debtor agrees that when any Event of Default as defined in Section 5.1 has occurred and is continuing, but subject always to Section 7 hereof, the Secured Party shall have the rights, options, duties and remedies of a secured party, and the Debtor shall have the rights and duties of a debtor, under the Uniform Commercial Code of Indiana (regardless of whether such Code or a law similar thereto has been enacted in a jurisdiction wherein the rights or remedies are asserted) and without limiting the foregoing, the Secured Party may exercise any one or more or all, and in any order, of the remedies hereinafter set forth, it being expressly understood that no remedy herein conferred is intended to be exclusive of any other remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other remedy given herein or now or hereafter existing at law or in equity or by statute.

(a) The Secured Party may, and upon the written direction of the holders of not less than 25% of the aggregate principal amount of the Notes then outstanding, shall, by notice in writing to the Debtor declare the entire unpaid balance of the Notes to be immediately due and payable; and thereupon all such unpaid balance, together with all accrued interest thereon, shall be and become immediately due and payable;

(b) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party personally or by agents or attorneys, shall have the right (subject to compliance with any applicable mandatory legal requirements) to take immediate possession of the Collateral, or any portion thereof, and for that purpose may pursue the same wherever it may be found, and may enter any of the premises of the Debtor, with or without notice, demand, process of law or legal procedure, if this can be done without breach of the peace, and search for, take possession of, remove, keep and store the same, or use and operate or lease the same until sold;

(c) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, and having first given notice of such sale by registered mail to the Debtor and the Lessee once at least ten days prior to the date of such sale, and any other notice which may be required by law, sell and dispose of the Collateral, or any part thereof, at

public auction to the highest bidder, in one lot as an entirety or in separate lots, and either for cash or on credit and on such terms as the Secured Party may determine, and at any place (whether or not it be the location of the Collateral or any part thereof) designated in the notice above referred to; provided, however, that any such sale shall be held in a commercially reasonable manner. Any such sale or sales may be adjourned from time to time by announcement at the time and place appointed for such sale or sales, or for any such adjourned sale or sales, without further published notice, and the Secured Party or the holder or holders of the Notes, or of any interest therein, or the Debtor may bid and become the purchaser at any such sale;

(d) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may proceed to protect and enforce this Security Agreement and the Notes by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted; or for foreclosure hereunder, or for the appointment of a receiver or receivers for the collateral or any part thereof, or subject to the provisions of Section 7 hereof, for the recovery of judgment for the indebtedness hereby secured or for the enforcement of any other proper, legal or equitable remedy available under applicable law; and

(e) Subject always to the rights of the Lessee under the Lease, provided the same is not then in default, the Secured Party may proceed to exercise all rights, privileges and remedies of the Debtor under the Lease, and may exercise all such rights and remedies either in the name of the Secured Party or in the name of the Debtor for the use and benefit of the Secured Party.

5.3. Acceleration Clause. In case of any sale of the Collateral, or of any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Security Agreement, the principal of the Notes, if not previously due, and the interest accrued thereon, shall at once become and be immediately due and payable; also in the case of any such sale, the purchaser or purchasers, for the purpose of making settlement for or payment of the purchase price, shall be entitled to turn in and use the Notes and any claims for interest matured and unpaid thereon, in order that there may be credited as paid on the purchase price the sum apportionable and applicable to the Notes held by such purchaser, including principal and interest thereof, out of the net proceeds of such sale.

5.4. Waiver by Debtor. To the extent permitted by law, the Debtor covenants that it will not at any time insist upon or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law now or at any time hereafter in force, nor claim, take, nor insist upon any benefit or advantage of or from any law now or hereafter in force providing for the valuation or appraisal of the Collateral or any part thereof prior to any sale or sales thereof to be made pursuant to any provision herein contained, or to the decree, judgment or order of any court of competent jurisdiction; nor, after such sale or sales, claim or exercise any right under any statute now or hereafter made or enacted by any state or otherwise to redeem the property so sold or any part thereof, and, to the full extent legally permitted, hereby expressly waives for itself and on behalf of each and every person, except decree or judgment creditors of the Debtor acquiring any interest in or title to the Collateral or any part thereof subsequent to the date of this Security Agreement, all benefit and advantage of any such law or laws, and covenants that it will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any power herein granted and delegated to the Secured Party, but will suffer and permit the execution of every such power as though no such power, law or laws had been made or enacted.

5.5. Effect of Sale. Any sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Debtor in and to the property sold, shall be a perpetual bar, both at law and in equity, against the Debtor, its successors and assigns, and against any and all persons claiming the property sold or any part thereof under, by or through the Debtor, its successors or assigns (subject, however, to the then existing rights, if any, of the Lessee under the Lease).

5.6. Application of Sale Proceeds. The proceeds and/or avails of any sale of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid to and applied as follows:

(a) First, to the payment of costs and expenses of foreclosure or suit, if any, and of such sale, and of all proper compensation, expenses, liability and advances, including legal expenses and attorneys' fees, owed to or incurred or made hereunder by, the Secured Party or the holder or holders of the Notes and of all taxes, assessments or liens superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) Second, to the payment of any valid claims made by the Secured Party or any holder or holders of the Notes against the Lessee for indemnification pursuant to Sections 6 or 14 of the Lease which then remain unpaid;

(c) Third, to the payment of the holder or holders of the Notes of the amount then owing or unpaid on the Notes for principal, interest and premium, if any; and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon the Notes, then ratably according to the aggregate of such principal and the accrued and unpaid interest and premium, if any, with application on each Note to be made, first, to the unpaid interest thereon, second, to unpaid premium, if any, thereon, and third, to unpaid principal thereof; such application to be made upon presentation of the several Notes, and the notation thereon of the payment, if partially paid, or the surrender and cancellation thereof, if fully paid; and

(d) Fourth, to the payment of the surplus, if any, to the Debtor, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

5.7. Discontinuance of Remedies. In case the Secured Party shall have proceeded to enforce any right under this Security Agreement by foreclosure, sale, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely, then and in every such case the Debtor, the Secured Party and the holder or holders of the Notes shall be restored to their former positions and rights hereunder with respect to the property subject to the security interest created under this Security Agreement.

5.8. Cumulative Remedies. No delay or omission of the Secured Party or of the holder of any Note to exercise any right or power arising from any default on the part of the Debtor, shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by the Secured Party, or the holder of any Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default, or to impair the rights resulting therefrom except as may be otherwise provided herein. No remedy hereunder is intended to be exclusive of any other remedy but each and every remedy shall be cumulative and in addition to any and every other remedy given hereunder or otherwise existing; nor shall the giving, taking or enforcement of any other or additional security, collateral or guaranty for the payment of the indebtedness secured under this Security Agreement operate to prejudice, waive or affect the security of this Security Agreement or any rights, powers or remedies hereunder, nor shall the Secured Party or holder of any of the Notes be required to first look to, enforce

or exhaust such other or additional security, collateral or guaranties.

5.9. Certain Rights of Debtor. (a) Notwithstanding any provision to the contrary herein, Debtor shall have the right (i) to the exclusion of the Secured Party, so long as no Event of Default or event which with the passage of time or giving of notice or both would constitute an Event of Default shall have occurred and be continuing to make any determination of Fair Market Value under Section 20 of the Lease, and (ii) not to the exclusion of the Secured Party and whether or not an Event of Default or event which with the passage of time or giving of notice or both would constitute an Event of Default shall have occurred and be continuing, to receive all financial statements, notices, certificates and other documents or information that Lessee is permitted or required to furnish to Debtor pursuant to the Lease and to inspect the Equipment pursuant to Section 11 of the Lease.

(b) If an Event of Default under the Lease shall have occurred and is continuing in respect of the payment of Basic Rent (as such term is defined in the Lease) under the Lease (unless there shall have occurred and be continuing any Event of Default under the Lease other than a failure to pay Basic Rent), the Debtor may, but shall not be obligated to, prior to the exercise of any remedy or remedies pursuant to Section 5.2 hereof by the Secured Party, pay to the Secured Party an amount equal to any principal and interest (including interest, if any, on overdue payments of principal and interest) then due and payable on the Notes, and such payment by the Debtor shall be deemed to cure any Event of Default under the Lease which would otherwise have arisen on account of the non-payment by the Lessee of such installment of Basic Rent under the Lease and any Event of Default hereunder attributable thereto; provided, however, that the Debtor may not exercise such right in respect of more than two Basic Rent payment defaults or in any event more than a total of four times throughout the term of the Lease.

(c) Except as hereinafter in this Section 5.9(c) provided, the Debtor shall not, by exercising the right to cure pursuant to Section 5.9(b), obtain any lien, charge or encumbrance of any kind on any of the Collateral for or on account of costs or expenses incurred in connection with the exercise of such right nor shall any claims of the Debtor against the Lessee or any other party for the repayment of such costs or expenses impair the prior right and security interest of the Secured Party in and to the Collateral. Upon such payment by the Debtor of the amount of principal and interest then due and payable on the Notes, the Debtor shall be subrogated to the rights of the Secured Party in respect of the Basic Rent which was overdue at the time of such payment, and interest payable by the Lessee on account of its being overdue, and therefore, if no other Event of Default or

event which with the lapse of time or giving of notice, or both, would constitute such an Event of Default shall have occurred and be continuing and if all principal and interest payments due on the Notes have been paid at the time of receipt by the Secured Party of such Basic Rent, the Debtor shall be entitled to receive such Basic Rent and such interest upon receipt thereof by the Secured Party; provided that (i) in the event the principal and interest on the Notes shall have become due and payable pursuant to Section 5.2(a) hereof, such subrogation shall, until principal of and interest on all Notes shall have been paid in full, be subordinate to the rights of the Secured Party in respect of such payment of Basic Rent and such interest on such overdue Basic Rent prior to receipt by the Debtor of any amount pursuant to such subrogation, and (ii) the Debtor shall not be entitled to seek to recover any such payment (or any payment in lieu thereof) except pursuant to the foregoing right of subrogation.

SECTION 6. REGISTRATION AND TRANSFER OF NOTES.

6.1. Registration and Execution. The Notes shall be registered as to principal and interest and shall be signed on behalf of the Debtor by its President or any Vice President or any other officer of the Debtor who, at the date of the actual execution thereof, shall be a proper officer to execute the same.

6.2. Payment of the Notes. (a) The principal of, and premium, if any, and interest on the Notes shall be payable by wire transfer of immediately available funds, in the case of the original Note Purchasers, as provided in Schedule 1 hereto or as any such Note Purchaser shall otherwise designate, and in the case of any other holder of Notes, to such bank or trust company in the continental United States for the account of such holder as the holder shall designate to the Debtor from time to time in writing, and if no such designation is in effect, by check, duly mailed, by first class, postage prepaid, or delivered to such holder at its address appearing on the Register as defined in Section 6.3. All payments so made shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sums so paid. Each holder (or the person for whom such holder is a nominee) by its acceptance of any Note agrees that, before selling, transferring or otherwise disposing of such Note, it will present such Note to the Debtor for transfer and notation as provided in Sections 6.4 and 6.5.

(b) All amounts constituting payment of the installments of rent under the Lease or Casualty Value or Termination Value received by the Secured Party and applied on the Notes pursuant to Section 4 hereof shall be valid and effectual to satisfy and discharge the liability upon such Notes to the extent of the amounts so received and applied.

6.3. The Register. The Debtor will keep at its principal office a register for the registration and transfer of Notes (herein called the "Register"). The names and addresses of the holders of the Notes, the transfers of the Notes and the names and addresses of the transferees of all Notes shall be registered in the Register, with copies to be provided by the Debtor to the Secured Party. The Debtor hereby appoints the Secured Party as its agent to hold the Register.

6.4. Transfers and Exchanges of Notes; Lost or Mutilated Notes.

(a) The holder of any Note may transfer such Note upon the surrender thereof at the principal corporate office of the Debtor. Thereupon, the Debtor shall execute in the name of the transferee a new Note or Notes in denominations not less than \$250,000 in aggregate principal amount equal to the unpaid principal amount of the Note so surrendered and deliver such new Note or Notes to the Debtor for delivery to such transferee.

(b) The holder of any Note or Notes may surrender such Note or Notes at the principal office of the Debtor, accompanied by a written request for a new Note or Notes in the same aggregate principal amount as the then unpaid principal amount of the Note or Notes so surrendered and in denominations of \$250,000 or such amount in excess thereof as may be specified in such request. Thereupon, the Debtor shall execute in the name of such holder a new Note or Notes in the denomination or denominations so requested (but not less than \$250,000) and in the aggregate principal amount equal to the aggregate unpaid principal amount of the Note or Notes so surrendered and deliver such new Note or Notes to such holder, and shall advise the Secured Party thereof.

(c) All Notes presented or surrendered for exchange or transfer shall be accompanied (if so required by the Debtor) by a written instrument or instruments of assignment or transfer, in form satisfactory to the Debtor, duly executed by the registered holder or by its attorney duly authorized in writing. The Debtor shall not be required to make a transfer or an exchange of any Note for a period of ten days preceding any installment payment date with respect thereto. The Debtor may absolutely rely on any signature purporting to be correct and shall have no duty of inquiry upon any such presentation or surrender of Notes for exchange or transfer.

(d) No notarial act shall be necessary for the transfer or exchange of any Note pursuant to this Section 6.4, and the holder of any Note issued as provided in

this Section 6.4 shall be entitled to any and all rights and privileges granted under this Security Agreement to a holder of a Note.

(e) In case any Note shall become mutilated or be destroyed, lost or stolen, the Debtor, upon the written request of the holder thereof, shall execute and deliver a new Note in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. The applicant for a substituted Note shall furnish to the Debtor such security or indemnity as may be required by the Debtor to save it harmless from all risks, and the applicant shall also furnish to the Debtor evidence to its satisfaction of the mutilation, destruction, loss or theft of the applicant's Note and of the ownership thereof. In case any Note which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Debtor may, instead of issuing a substituted Note, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Note), if the applicant for such payment shall furnish to the Debtor such security or indemnity as the Debtor may require to save it harmless, and shall furnish evidence to the satisfaction of the Debtor of the mutilation, destruction, loss or theft of such Note and the ownership thereof. If any Note Purchaser, or its nominee, is the owner of any such lost, stolen or destroyed Note, then the affidavit of the president, vice president, treasurer or assistant treasurer of such Note Purchaser setting forth the fact of loss, theft or destruction and of its ownership of the Note at the time of such loss, theft or destruction shall be accepted as satisfactory evidence thereof and no indemnity shall be required as a condition to execution and delivery of a new Note other than the written agreement of such Note Purchaser to indemnify the Debtor for any claims or action against it (and for its attorney's fees) resulting from the issuance of such new Note or the reappearance of the old Note. The Debtor shall advise the Secured Party when any new Note is issued pursuant to this Section 6.4(e) as to the details relating to such issuance.

6.5. The New Notes.

(a) Each new Note (herein, in this Section 6.5, called a "New Note") issued pursuant to Section 6.4(a), (b) or (e) in exchange for or in substitution or in lieu of an outstanding Note (herein, in this Section 6.5, called an "Old Note") shall be dated the date of such Old Note. The Debtor shall mark on each New Note (i) the dates to which principal and interest have been paid on

such Old Note, (ii) all payments and prepayments of principal previously made on such Old Note which are allocable to such New Note, and (iii) the amount of each installment payment payable on such New Note. Each installment payment payable on such New Note on any date shall bear the same proportion to the installment payment payable on such Old Note on such date as the original principal amount of such New Note bears to the original aggregate principal amount of such Old Note. Interest shall be deemed to have been paid on such New Note to the date on which interest shall have been paid on such Old Note, and all payments and prepayments of principal marked on such New Note, as provided in clause (ii) above, shall be deemed to have been made thereon.

(b) Upon the issuance of a New Note pursuant to Section 6.4(a), (b) or (e), the Debtor may require the payment of a sum to reimburse it for, or to provide it with funds for, the payment of any tax or other governmental charge or any other charges and expenses connected therewith which are paid or payable by the Debtor.

(c) All New Notes issued pursuant to Section 6.4(a), (b) or (e) in exchange for or in substitution or in lieu of Old Notes shall be valid obligations of the Debtor evidencing the same debt as the Old Notes and shall be entitled to the benefits and security of this Security Agreement to the same extent as the Old Notes.

(d) Upon the issuance of any Note pursuant to this Security Agreement, the Secured Party may submit to the Debtor a request that the Debtor prepare and deliver to the Secured Party an amortization schedule with respect to such Note setting forth the amount of the installment payments to be made on such Note after the date of issuance thereof and the unpaid principal balance of such Note after each such installment payment. The Secured Party shall deliver, or send by first-class mail, postage prepaid, one copy of the applicable schedule to the holder of such Note at its address set forth in the Register.

6.6. Cancellation of Notes. All Notes surrendered for the purpose of payment, redemption, transfer or exchange shall be delivered to the Debtor for cancellation or, if surrendered to the Debtor, shall be cancelled by it, and no Notes shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Security Agreement.

6.7. Registered Owner. The person in whose name any Note shall be registered shall be deemed and treated as the owner thereof for all purposes of this Security Agreement and neither

the Debtor nor the Secured Party shall be affected by any notice to the contrary. Payment of or on account of the principal of, premium, if any, and interest on such Note shall be made only to or upon the order in writing of such registered owner. For the purpose of any request, direction or consent hereunder, the Debtor and the Secured Party may deem and treat the registered owner of any Note as the owner thereof without production of such Note.

SECTION 7. LIMITATIONS OF LIABILITY.

Except in respect of the representations, warranties and agreements of the Debtor contained in Sections 2.1, 2.2 or 2.9 hereof, for which Debtor shall be liable in its individual corporate capacity, anything in this Security Agreement to the contrary notwithstanding, neither the Secured Party nor the holder of any Note nor the successors or assigns of any of said persons, shall have any claim, remedy or right to proceed against the Debtor in its individual corporate capacity or any incorporator or any past, present or future subscriber to the capital stock of, or stockholder, officer, employee or director of the Debtor for the payment of any deficiency or any other sum owing on account of the indebtedness evidenced by the Notes or for the payment of any liability resulting from the breach of any covenant, agreement or warranty of any nature whatsoever, in this Security Agreement, from any source other than the Collateral, including the sums due and to become due under the Lease; and the Secured Party by the execution of this Security Agreement and the holders of the Notes by acceptance thereof, waive and release any personal liability of the Debtor in its individual corporate capacity and any incorporator or any past, present or future subscriber to the capital stock of, or stockholder, officer, employee or director of the Debtor for and on account of such indebtedness or such liability, and the Secured Party and the holders of the Notes agree to look solely to the Collateral, including the sums due and to become due under the Lease for the payment of said indebtedness or the satisfaction of such liability; provided, however, nothing herein contained shall limit, restrict or impair the rights of the holders of the Notes to accelerate the maturity of the Notes upon a default under this Security Agreement; to bring suit and obtain a judgment against the Debtor on the Notes or to exercise all rights and remedies provided under this Security Agreement or otherwise realize upon the Collateral.

SECTION 8. THE SECURED PARTY.

8.1. Certain Duties and Responsibilities of Secured Party. (a) Except during the continuance of an Event of Default:

- (1) the Secured Party undertakes to perform such duties and only such duties as are specifically set forth

in this Security Agreement, and no implied covenants or obligations shall be read into this Security Agreement against the Secured Party; and

(2) in the absence of bad faith on its part, the Secured Party may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Secured Party and conforming to the requirements of this Security Agreement or the Lease; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Secured Party, the Secured Party shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Security Agreement.

(b) In case an Event of Default has occurred and is continuing, the Secured Party shall exercise such of the rights and powers vested in it by this Security Agreement for the benefit of the holders of the Notes, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Security Agreement shall be construed to relieve the Secured Party from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(2) the Secured Party shall not be liable for any error of judgment made in good faith by an officer of the Secured Party unless it shall be proved that the Secured Party was negligent in ascertaining the pertinent facts; and

(3) the Secured Party shall not be liable to the holder of any Note with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of two-thirds principal amount of the Notes outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Secured Party, or exercising any trust or power conferred upon the Secured Party under this Security Agreement.

(d) No provision of this Security Agreement shall require the Secured Party to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights

or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Security Agreement relating to the conduct or affecting the liability of or affording protection to the Secured Party shall be subject to the provisions of this Section.

8.2. Certain Limitations on Secured Party's Rights to Compensation and Indemnification. The Secured Party agrees that it shall have no right against the holders of any Note for the payment of compensation for its services hereunder or any expenses or disbursements incurred in connection with the exercise and performance of its powers and duties hereunder or any indemnification against liability which it may incur in the exercise and performance of such powers and duties but, on the contrary, shall look solely to the Debtor for such payment and indemnification and that it shall have no lien on nor security interest in the Collateral as security for such compensation, expenses, reasonable counsel fees, if any, disbursements and indemnification except to the extent provided for in Section 5.6(a) hereof.

8.3. Certain Rights of Secured Party. (a) The Secured Party shall not be responsible for any recitals herein or for insuring the Equipment, or for paying or discharging any tax, assessment, governmental charge or lien affecting the Collateral, or for the recording, filing or refiling of this Security Agreement, or of any amendment or supplement thereto or further mortgage or trust, nor shall the Secured Party be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements contained herein, and, except in the case of a default in the payment of the principal of, or interest or premium, if any, on any Note or a default of which the Secured Party has actual knowledge, the Secured Party shall be deemed to have knowledge of any default in the performance or observance of any such covenants, conditions or agreements only upon receipt of written notice thereof from one of the holders of the Notes. The Secured Party shall promptly notify the Debtor and all holders of the Notes of any default of which the Secured Party has actual knowledge. Upon receipt by the Secured Party of such written notice from a holder of a Note, the Secured Party shall promptly notify the Debtor and all other holders of the Notes of such notice and the default referred to therein by prepaid registered mail addressed to them at their addresses set forth in the Register provided for in Section 6.3 hereof. For all purposes of this Agreement, in the absence of actual knowledge on the part of an officer or employee in its Corporate Trust Department, the Secured Party shall not be deemed to have knowledge of any default hereunder unless notified in writing by the Debtor, the Lessee or any holder of the Notes.

(b) The Secured Party makes no representation or warranty as to the validity, sufficiency or enforceability of this Security Agreement, the Notes or any instrument included in the Collateral, or as to the value, title, condition, fitness for use of, or otherwise with respect to, any Equipment or Item of Equipment or any substitute therefor. The Secured Party shall not be accountable to anyone for the use or application of any of the Notes or the proceeds thereof or for the use or application of any property or the proceeds thereof which shall be released from the lien and security interest hereof in accordance with the provisions of this Security Agreement.

(c) The Secured Party may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(d) Any request, direction or authorization by the Debtor or the Lessee shall be sufficiently evidenced by a request, direction or authorization in writing, delivered to the Secured Party, and signed in the name of the Debtor or the Lessee, as the case may be, by its Chairman of the Board, President, any Vice President, Treasurer or Secretary, and any resolution of the Board of Directors of the Debtor or the Lessee shall be sufficiently evidenced by a copy of such resolution certified by its Secretary or an Assistant Secretary to have been duly adopted and to be in full force and effect on the date of such certification, and delivered to the Secured Party.

(e) Whenever in the administration of the trust herein provided for, the Secured Party shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate purporting to be signed by the Chairman of the Board, the President, any Vice President, the Treasurer or the Secretary of the Debtor or the Lessee, as the case may be, and delivered to the Secured Party, and such certificate shall fully warrant to the Secured Party or any other person for any action taken, suffered or omitted on the faith thereof, but in its discretion the Secured Party may accept, in lieu thereof, other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(f) The Secured Party may consult with counsel, appraisers, engineers, accountants and other skilled persons to be selected by the Secured Party, and the written advice of any thereof shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder

in good faith and in reliance thereon.

(g) The Secured Party shall be under no obligation to take any action to protect, preserve or enforce any rights or interests in the Collateral or to take any action towards the execution or enforcement of the trusts hereunder or otherwise hereunder, whether on its own motion or on the request of any other person, which in the opinion of the Secured Party may involve loss, liability or expense, unless the Debtor or one or more holders of the Notes outstanding shall offer and furnish reasonable security or indemnity against loss, liability and expense to the Secured Party.

(h) The Secured Party shall not be liable to the holder of any Note for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Security Agreement.

(i) The Secured Party shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document, unless requested in writing to do so by the holders of not less than a majority in principal amount of the Notes then outstanding.

(j) The Secured Party may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Secured Party shall not be responsible for any action or inaction on the part of any agent or attorney appointed by it with due care.

(k) The provisions of paragraphs (c) to (j) inclusive of this Section 8.3 shall be subject to the provisions of Section 8.1 hereof.

8.4. Showings Deemed Necessary by Secured Party. Notwithstanding anything elsewhere in this Security Agreement contained, the Secured Party shall have the right, but shall not be required, to demand in respect of withdrawal of any cash, the release of any property, the subjection of any after-acquired property to the lien of this Security Agreement, or any other action whatsoever within the purview hereof, any showings, certificates, opinions, appraisals or other information by the Secured Party deemed necessary or appropriate in addition to the matters by the terms hereof required as a condition precedent to such action.

8.5. Status of Moneys Received. All moneys received by the Secured Party shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys,

except to the extent required by law, and may be deposited by the Secured Party under such general conditions as may be prescribed by law in the Secured Party's general banking department, and the Secured Party shall be under no liability for interest on any moneys received by it hereunder. The Secured Party and any affiliated corporation may become the owner of any Note secured hereby and be interested in any financial transaction with the Debtor or any affiliated corporation or the Lessee or any affiliated corporation, or the Secured Party may act as depository or otherwise in respect to other securities of the Debtor or any affiliated corporation or the Lessee or any affiliated corporation, all with the same rights which it would have if not the Secured Party. The Secured Party agrees that, whenever it shall be required to disburse moneys to the Debtor or any Note Purchaser under the provisions hereof, it shall do so by wire transfer of immediately available funds to a designated bank or trust company located in the continental United States whenever such method of payment is provided for in Schedule 1 hereto or is requested in writing by the Debtor or any Note Purchaser.

8.6. Resignation of Secured Party. The Secured Party may resign and be discharged of the trusts hereby created by mailing notice specifying the date when such resignation shall take effect to the Debtor and to the holders of the Notes at their addresses set forth in the Register provided for in Section 6.3 hereof. Such resignation shall take effect on the date specified in such notice (being not less than thirty days after the mailing of such notice) unless previously a successor secured party shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor; provided, however, no such resignation shall be effective unless and until a successor secured party shall have been appointed and accepted such appointment in accordance with the provisions of Sections 8.9 and 8.12 hereof.

8.7. Removal of Secured Party. The Secured Party may be removed and/or a successor secured party may be appointed at any time by an instrument or concurrent instruments in writing signed and acknowledged by the holders of 66-2/3% in principal amount of the Notes and delivered to the Secured Party and to the Debtor and, in the case of the appointment of a successor secured party, to such successor secured party.

8.8. Successor Secured Party. Each secured party appointed in succession of the Secured Party named in this Security Agreement, or its successor in the trust, shall be a trust company or banking corporation having an office in the State of Indiana, in good standing and having a capital and surplus aggregating at least \$100,000,000, if there be such a trust company or banking corporation qualified, able and willing to accept the trust upon reasonable or customary terms.

8.9. Appointment of Successor Secured Party. If the Secured Party shall have given notice of resignation to the Debtor pursuant to Section 8.6 hereof, if notice of removal shall have been given to the Secured Party and the Debtor pursuant to Section 8.7 hereof, which notice does not appoint a successor secured party, a successor secured party may be appointed by the Debtor, or, if such successor secured party shall not have been so appointed or shall not have accepted such appointment within fifteen calendar days after the giving of such notice of resignation or the giving of any such notice of removal, as the case may be, a successor secured party may be appointed by the Debtor, the holder of any outstanding Note or, upon application of the retiring secured party, by any court of competent jurisdiction.

8.10. Merger or Consolidation of Secured Party. Any company into which the Secured Party, or any successor to it in the trust created by this Security Agreement, may be merged or converted or with which it or any successor to it may be consolidated or any company resulting from any merger or consolidation to which the Secured Party or any successor to it shall be a party (provided such company shall be a corporation organized under the laws of the United States of America or of a state thereof, having a capital and surplus of at least \$100,000,000), shall be the successor to the Secured Party under this Security Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Debtor covenants that in case of any such merger, consolidation or conversion it will cooperate with the Lessee in connection with the Lessee's obligation pursuant to Section 22 of the Lease to cause to be executed, acknowledged, recorded, and/or filed suitable instruments in writing to confirm the estates, rights and interests of such corporation as secured party under this Security Agreement.

8.11. Conveyance Upon Request of Successor Secured Party. Should any deed, conveyance or instrument in writing from the Debtor be required by any successor secured party for more fully and certainly vesting in and confirming to such new secured party such estates, rights, powers and duties, then upon request any and all such deeds, conveyances and instruments in writing shall be made, executed, acknowledged and delivered, and Debtor shall cooperate with the Lessee in connection with the Lessee's obligation pursuant to Section 22 of the Lease to cause the same to be recorded and/or filed.

8.12. Acceptance of Appointment by Successor Secured Party. Any new secured party appointed pursuant to any of the provisions hereof shall execute, acknowledge and deliver to the Debtor an instrument accepting such appointment, and thereupon such new secured party, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers and trusts of its predecessor in the rights here-

under with like effect as if originally named as secured party herein; but nevertheless, upon the written request of the Debtor or of the successor secured party, the secured party ceasing to act shall execute and deliver an instrument transferring to such successor secured party, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of the secured party so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such secured party to the successor secured party so appointed in its or his place.

SECTION 9. MISCELLANEOUS.

9.1. Successors and Assigns. Whenever any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all the covenants, promises and agreements in this Security Agreement contained by or on behalf of the Debtor or by or on behalf of the Secured Party, shall bind and inure to the benefit of the respective successors and assigns of such parties whether so expressed or not.

9.2. Partial Invalidity. The unenforceability or invalidity of any provision or provisions of this Security Agreement shall not render any other provision herein contained unenforceable or invalid, provided that nothing contained in this Section 9.2 shall be construed to be in derogation of any rights or immunities of the Debtor in its individual capacity under Section 7 hereof, or to amend or modify any limitations or restrictions of the Secured Party or the holder of any Note or their respective successors or assigns under said Section 7.

9.4. Supplemental Security Agreements; Waivers. (a)
Supplemental Security Agreements Without Noteholders' Consent.

time, subject to the restrictions in this Security Agreement
contained, may enter into an agreement or agreements supplemental
hereto and which thereafter shall form a part hereof for any one
or more of the following purposes:

(i) to add to the covenants and agreements to be

subject to the security interest of this Security Agree-
ment; or

any corresponding provision in any similar Federal
statute hereafter in effect;

and the Debtor covenants to perform all requirements of any such
supplemental agreement. No restriction or obligation imposed upon
the Debtor may, except as otherwise provided in this Security
Agreement, be waived or modified by such supplemental agreements,
or otherwise.

(b) Waivers and Consents by Noteholders; Supplemental Security Agreements with Noteholders' Consent. Upon the waiver or consent of the holders of at least 66-2/3% in aggregate principal amount of the Notes exclusive of any Notes held by the Lessee (x) the Debtor may take any action prohibited, or omit the taking of any action required, by any of the provisions of this Security Agreement or any agreement supplemental hereto, or (y) the Debtor and the Secured Party may enter into an agreement or agreements supplemental hereto for the purpose of adding, changing or eliminating any provisions of this Security Agreement or of any agreement supplemental hereto or modifying in any manner the rights and obligations of the holders of the Notes and the Debtor; provided, that no such waiver or supplemental agreement shall (i) impair or affect the right of any holder to receive payments or prepayments of the principal of and payments of the interest or premium, if any, on its Note, as therein and herein provided, without the consent of such holder, (ii) permit the creation of any lien or security interest with respect to any of the Collateral, without the consent of the holders of all the Notes at the time outstanding, (iii) effect the deprivation of the holder of any Note of the benefit of the security interest of this Security Agreement upon all or any part of the Collateral without the consent of such holder, (iv) reduce the aforesaid percentage of the aggregate principal amount of Notes, the holders of which are required to consent to any such waiver or supplemental agreement pursuant to this Section, without the consent of the holders of all of the Notes at the time outstanding, or (v) modify the rights, duties or immunities of the Secured Party, without the consent of the holders of all of the Notes at the time outstanding.

(c) Notice of Supplemental Security Agreements. Promptly after the execution by the Debtor and the Secured Party of any supplemental agreement pursuant to the provisions of paragraph (a) or (b) of this Section, the Secured Party shall give written notice, setting forth in general terms the substance of such supplemental agreement, together with a conformed copy thereof, mailed, first-class, postage prepaid, to each holder of the Notes. Any failure of the Secured Party to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

(d) Opinion of Counsel Conclusive as to Supplemental Security Agreements. The Secured Party is hereby authorized to join with the Debtor in the execution of any such supplemental agreement authorized or permitted by the terms of this Security Agreement and to make the further agreements and stipulations which may be therein contained, and the Secured Party may receive an opinion of counsel as conclusive evidence that any supplemental agreement executed pursuant to the provisions of this Section 9.4 complies with the requirements of this Section 9.4.

9.5. Supplements and Amendments. Subject to section 9.4, this Security Agreement may, from time to time and at any time, be amended or supplemented by an instrument or instruments in writing executed by the parties hereto or their respective permitted successors or assigns.

9.6. Release. The Secured Party shall release this Security Agreement and the security interest granted hereby by proper instrument or instruments upon presentation of satisfactory evidence that all indebtedness secured hereby has been fully paid or discharged.

9.7. Governing Law. This Security Agreement and the Notes shall be construed in accordance with and governed by the laws of the State of Indiana without regard to principles of conflicts of law; provided, however, that the Secured Party shall be entitled to all the rights conferred by any applicable Federal statute, rule or regulation.

9.8. Counterparts. This Security Agreement may be executed, acknowledged and delivered in any number of counterparts, each of such counterparts constituting an original but all together only one Security Agreement.
